

# LEAVENWORTH CITY COUNCIL

March 11, 2008 Study Session Agenda  
9:00 A.M. - City Hall Council Chambers

**9:00 - 9:30 Farmer's Market – Bob Rogers**

Staff has been unable to contact the Wenatchee Valley Farmer's Market leading up to the meeting, so it is unlikely that they will be present. I wanted them to meet with the Council to discuss alternative locations for 2008.

**9:30-9:40 Trout Unlimited – Bob Stroupe; Dan Davies**

Trout Unlimited has requested to be added to the Study Session Agenda.

**9:40-9:50 Sewer Service to Icicle Road - Connie Krueger**

An update on the initial analysis of the provision of service to this area.

**9:50-10:00 Interlocal Agreement with Chelan County, Shoreline Master Planning -  
Connie Krueger**

Chelan County and the Chelan County cities have procured a grant contract with the Washington State Department of Ecology. This interlocal is currently under review by the cities and is likely to be brought to the Council at the end of the month for adoption.

**10:00-10:10 Contract Arrangement with BHC – Connie Krueger**

Integration of the moratorium items (development standards, financial policies, etc.) with the Leavenworth Municipal Code in a legally defensible manner and to effectively lift the moratorium will require careful attention and focus. The City staff and attorney are recommending utilization of our current contract with BHC to accomplish this.

**10:10-10:20 Planning Processes (Transportation, Parks, and Regional Trails) and  
Council Participation – Connie Krueger**

A brief discussion regarding the above planning processes.

**10:20-10:30 Auxiliary Power Generator for Reservoir 1 Project – Dave Schettler**

This item is an emergency expenditure so as to make the necessary improvements to the well water supply system that are required in order to allow the demolition and reconstruction of the existing Reservoir No. 1 during the 2008 construction season. This auxiliary power generator is required so as to provide back-up electrical power in case of an electrical black-out in order to provide the two existing wells with power to meet fire demands for the water distribution system.

**10:30-10:45 Regional Website for Community Indicators – Mayor Eaton**

**10:45-10:50 Updates on Amendments to: Blackbird Lodge Vacation Ordinance and L24  
Utility Reimbursement Agreement—Connie Krueger**

A brief update on where we are in these processes.

**NOTE: The City Council will hold a special meeting this afternoon from 1:30-3:30 P.M.**
